Re: Master Metals Superfund Site  
Northern Ohio Lumber & Timber Co. Prospective Purchaser Agreement

Dear Kris:

I have enclosed the PPA in the above-captioned matter which includes the original signature page of Deputy Section Chief W. Benjamin Fisherow and of the Settling Respondents, NOLTCO and Bredt-Zanick. I presume that after Mr. Muno signs the PPA, you will forward a copy to the Settling Respondents and place a notice to the Federal Register. Assuming there are no adverse comments, I presume that you will so advise David Hoffmann that the PPA is effective. I would appreciate it if you would "cc" me on your correspondence to Mr. Hoffmann, particularly because I too would like a fully executed version of the PPA.

It's been a pleasure working with you on this matter.

Sincerely,

Annette M. Lang  
Trial Attorney
